A Trusted and Cyber Secure Europe

Activities

Nine operational activities and two corporate activities have been identified to support the implementation of the mandate of the European Union Agency for Cybersecurity (ENISA) in 2022.

What we do

The European Union Agency for Cybersecurity (ENISA) contributes to EU cyber policy, enhances the trustworthiness of ICT products, services and processes with cybersecurity certification schemes, cooperates with Member States and EU bodies, and helps Europe prepare for the cyber challenges of tomorrow.

More about ENISA (https://www.enisa.europa.eu/about-enisa)

Mission

The mission of the European Union Agency for Cybersecurity (ENISA) is to achieve a high common level of cybersecurity across the Union in cooperation with the wider community.
